The "Run Down" Condition

"Why do I feel used up and all run down most of the time?"

How many ask themselves this question daily? The answer is simple. It is lack of nerve force. Science with its unerring methods of research has proved that the various organs and tissues of the body continue in health and perform their work properly as long as their nerve supply retains its vigor and strength. But if the nerves degenerate or lose power from poor nourishment or any other cause, the entire physiological mechanism of the body is thrown out of gear and we have as a result some pronounced "run-down" condition or disease.

The heart, the stomach, the liver, all have their great nerve centres which supply them with the power to work properly. When these nerve centres are weakened these important organs cannot act properly.

The experience of Charles E. Stacy is a case in point.

Brooklyn, N. Y., Aug. 12, 1904.—"Paine's Celery Compound cured me of chronic biliousness of many years' duration. I was all run down and I thought I never could feel better, I had tried so many remedies without success. It affords me pleasure to state, however, that four bottles of the Compound made an entire change in me and I now feel better than I have in years. I will always heartily recommend Paine's Celery Compound to all suffering from derangement of stomach and liver."—Chas. E. Stacy, 450 Fifth Ave.

Prof. Edward E. Phelps, the famous discoverer of Paine's Celery Compound, was the first physician to openly declare twenty years ago that the health of the human body depends entirely upon the health of the nerves.

Paine's Celery Compound furnishes food for the nerves themselves, and, while gently stimulating them, restores them to their original strength and vigor and at once all the organs of the body take up their work and health is restored.

Paine's Celery Compound sends new life throbbing through every artery and gives that glorious feeling of perfect health.

For the past 17 years this great nerve vitalizer and tonic has been the most universally used prescription in the world. Pale, sickly children, weary women, broken-down, discouraged men find strength and happiness in this great prescription.

It cures disease by removing the cause. Whenever you suffer from rheumatism, headache, sleeplessness, dyspepsia, nervousness or "run-down" condition you can be cured by Paine's Celery Compound. Its effect is almost immediate.

Remember this,—Paine's Celery Compound is the prescription of one of the most famous physicians this country has ever known, and all reputable druggists sell and recommend it.

CARTER ON LOAN FUNDS

(Continued from page six.)

money out of the loan fund to buy so perishable an article as road machinery; in other words, this community has gotten to a point where they appropriate loan money to eke out what they ought to pay out of their own pockets. It is very easy to borrow where you have a credit, but when you borrow it has to be paid back, and our children will groan and complain when it becomes necessary (as it surely will) to increase the taxes in order to pay the interest and principal of our debt. The former debt was paid by annexation, and from that experience it would seem that we still trust in some such incident to again come to our relief.

If the readjustment I have indicated be carried out in the present loan of \$750,000, it can be made to include the Hilo sewer system, \$15,000, and the Hilo high school, \$20,000, provided we leave out the purchase of Pauoa water, which is, of course a direct revenue producing item and would, if we followed our definition strictly, come within the items to be expended, but in order to keep within that limit this item of \$80,000 must be left out. In doing this, I certainly expect the administration to receive the hearty support of the Hilo Chamber of Commerce.

Very sincerely yours,
G. R. CARTER, Governor.

NOT FIGHTING FOR OAHU COUNTY

GOVERNOR CARTER EXPLAINS TERRITORY'S ATTITUDE IN THE INCOME TAX MATTER.

Governor Carter has written a letter to the Hilo Board of Trade on the income tax proposition. He refers to the case brought by Kauai county, to force collections of income taxes there instead of here, so that Kauai would get half instead of Oahu, and says that the Territorial attorney general did not appear in the case in behalf of the county of Oahu, but to defend the Territorial tax assessor, who was sued. The matter of apportioning the taxes to the different counties is one for the legislature, says the governor, and he concludes his letter as follows:

"Now, rightly or wrongly, Oahu had previously received the bulk of the income tax, and the representatives from Hawaii, Maui and Kauai, who could have controlled the matter, so far as I am aware raised no objection to such a method of proportioning the revenues. The proposition proposed was agreed upon and carried out, and now it appears that their constituents are dissatisfied.

"This does not surprise me, for not one of the islands would care to have the exactions or contributions taken from its wealth spent for the benefit of any other county. But instead of complaining against the Territory or its attitude in the matter, it would appear only fair that they should blame their own representatives.

"I have always endeavored to the best of my ability to act justly and fairly between the islands, and I hope that perhaps some day this will be realized and appreciated.

"Very sincerely yours,
"G. R. CARTER,
"Governor."

WOMEN'S NEGLECT SUFFERING THE SURE PENALTY

Health Thus Lost Is Restored by Lydia E. Pinkham's Vegetable Compound.

How many women do you know who are perfectly well and strong? We hear every day the same story over and over again. "I do not feel well; I am so tired all the time!"

More than likely you speak the same words yourself, and no doubt you feel far from well. The cause may be easily traced to some derangement of the female organs which manifests itself in depression of spirits, reluctance to go anywhere or do anything, backache, bearing-down pains, flatulency, nervousness, sleeplessness, leucorrhoea. These symptoms are but warnings that there is danger ahead, and unless heeded a life of suffering or a serious operation is the inevitable result.

The never-failing remedy for all these symptoms is Lydia E. Pinkham's Vegetable Compound.

Miss Kate McDonald, of Woodbridge, N. J., writes:

Dear Mrs. Pinkham: "I think that a woman naturally dislikes to make her troubles known to the public, but restored health has meant so much to me that I cannot help from telling mine for the sake of other suffering women."

"For a long time I suffered untold agony with a uterine trouble and irregularities, which made me a physical wreck, and no one thought I would recover, but Lydia E. Pinkham's Vegetable Compound has entirely cured me, and made me well and strong, and I feel it my duty to tell other suffering women what a splendid medicine it is."

If you are ill, don't hesitate to get a bottle of Lydia E. Pinkham's Vegetable Compound at once, and write to Mrs. Pinkham, Lynn, Mass., for special advice—it is free and always helpful.
